Oppose Change of Holiday House

Movement to Change to Old Ladies' Home

Due to objections raised by several circles in the county, the plan of the King's Daughters to change their Holiday House in Narberth to an old ladies' home in the fall will be postponed indefinitely. The question was discussed at a meeting of King's Daughters' Circles of Montgomery County held recently in Westminster Hall of the Witherspoon Building.

Mrs. Fred Derby, of Narberth, State President of the organization, read the report informing the representatives of the objections of several of the circles to a change. These circles pointed out that a great amount of building activity was going on near the Holiday House on Sabine Avenue and that this might make it undesirable to retain the Holiday House property in the near future. It was deemed best that the county organization wait until the matter of a probable removal be settled before it considered changing the Holiday House into a home for old ladies.

The Holiday House at present is used to entertain poor children of the city and their mothers over the hot weekends during the summer. The House will be opened for the coming season on June 30. Mrs. Derby informed the county representatives that two young women from the Baptist Institute, a cook and a matron, had been secured to take care of the house for this summer.

Before the Holiday House is officially opened to the poor of the city for the summer the various King's Daughters' Circles will hold what is known as Donation Day, on Friday, June 27, at the house. This is the day for the annual inspection of the house by members of all circles of the county. As the name indicates, donations are in order from all visitors. The Holiday House is supported from these donations; by assessments on the treasuries of the various Montgomery County circles, and by donations received from friends.

Plans for Donation Day on June 27 call for the serving of a chicken dinner out of doors if the weather permits.

Want Street Opened

Another matter discussed at the county meeting was that of the closing of Price Avenue, which runs in back of the Holiday House property in Narberth, by one of the residents of Price Avenue, who ran his fence into the middle of the street. Although undeveloped at that point, Price Avenue is on the Borough plan.

It was decided to take the matter up with Borough authorities, as it was feared that if no objection against the closing were raised now, the street could not later be legally opened. The King's Daughters are desirous of keeping Price Avenue open, as it is felt that it would be to the organization's advantage to have a street in back of its property as well as in front if it wishes to sell it later.

PICNIC

The Federation of Young People's Societies of the Main Line is planning to have a picnic on Saturday, June 14th. This picnic is the first and will be the only one this season. Therefore a large and successful one is anticipated.

There has not been any definite hour set as it is hard to regulate such an occasion. However, it is expected that the picnic will be in full swing between 2.30 to 9.00 on Saturday, the 9th of June.

The location is on Morris Avenue, about two miles north of the Bryn Mawr station. The grounds are on the right after passing a very rocky road which crosses Morris about two miles north of Montgomery Pike at Bryn Mawr. One will have not the least bit of trouble in finding the selected spot if once Morris Avenue is located, as there is to be placed along the Road arrows or signs to indicate the grounds. For those living in Bala-Cynwyd, Narberth, Overbrook and Ardmore the bus would be very convenient to Morris Avenue where there will be some kind of vehicle to relieve the heavily burdened ones so that walking will be a pleasure. Buses will arrange to take picnickers to the Bryn Mawr Station after the picnic.

As the affair has been carefully planned, it promises to be a big success, so do not miss it. Remember the 14th day of June. Everyone is cordially invited.

The Board is planning to continue this practice each year for at least three teachers, to be named by Principal Wilson, in order to afford opportunity for professional growth and development for as many of the teachers as possible.

Principal George H. Wilson was elected on a three-year contract in the spring of 1923, and consequently did not come up for re-election at this time.

The following teachers were elected to fill vacancies among the corps of teachers:

SELLARD-PURRING

A very attractive rainbow wedding was celebrated in the Methodist Church last Wednesday evening, when Miss Amanda E. Purring, of Narberth, was united in marriage to Mr. Raymond H. Sellard, of Philadelphia. The church was beautifully decorated with ferns, carnations, palms and daisies.

The bride was given in marriage by her father, and was attended by her sister Lydia as maid of honor, Miss Rose E. Farrell, of Lansdowne, and Miss Marguerite Nicholson, of Overbrook, as bridesmaids, and Miss Magdalen Purring as flower girl. The bouquets of the bride and her attendants were made of sweet peas, snapdragons and yellow daisies. The flower girl carried a lovely basket of pink sweet peas. The ushers were Messrs. John, Ernest, Jr., George and Edward Purring, brothers of the bride. The best man was Mr. Thomas Irvin, of Philadelphia, brother of the groom.

The ceremony was performed by the Rev. W. Sherman Dawson, pastor of the church. Mrs. Edward Stanley, organist of the church, played several selections, including "O Night of Love," from "Faust," "Adoration," by Rockwell, and "O Promise Me," by DeKoven, followed by the "Bridal Song" from "Lohengrin," at seven o'clock, when the wedding procession started. The bride and groom left the church to the strains of Mendelssohn's Wedding March. After a reception at their home, Mr. and Mrs. Sellard left for a honeymoon at Atlantic City. They will reside in Narberth on their return.

CARD PARTY

A card party will be held Tuesday, June 17th, on the lawn at the home of Mrs. W. M. Sibley, 507 Haverford road, at 2 P. M., under the auspices of St. Alban Chapter, No. 307, O. E. S.

This is a public card party and everybody is invited. There will be no charges, give what you please. Those who wish to make table reservations phone Narberth 1221. Bridge, pinocle and five hundred.

Teams Active Over Week-end

Narberth in Four-sided Tie for League Lead

The boys had an off day Friday, tying Ashland's fast team in the morning, 3-3, and losing to Paoli in the afternoon, 12-1. The morning game was a pitcher's battle, both teams being unable to get more than four hits each. There was a good attendance despite the fact that the game was played at the high school grounds, while the big time was going on at the regular baseball field.

There was also a fine turnout of Narberth fans at Paoli. The afternoon game was a hum-dinger for Paoli; all Francis would permit the Narberthites was 2 hits, while Paoli came through with 10 hits off Y well and Babb.

Narberth, 10; Bala-Cynwyd, 1

On Saturday Narberth was back in form, much to Bala-Cynwyd's regret. The best they could do to Bobbie Gibson's offerings were four scattered hits, while the Walzerites landed 12 safe hits; 11 off H. Voekel and 1 off Stephenson, who relieved Voekel in the ninth inning.

The play by innings:
1st inning—Quail, lead-off man for Bala-Cynwyd, strikes out. Thomas walks. H. Mossman hits to 3rd and is thrown out at 1st base. Stephenson strikes out. No runs, no hits.

Burns is pushed up to lead-off man for Narberth, and hits the first ball (to treat a visiting pitcher). Powell gets a safe hit to center; Burns scores. V. Fleck takes a strike; Powell steals second. V. Fleck hits to pitcher, who throws Powell out at third; Fleck safe at first. H. Humphries flies out to third. G. Fleck gets hit by a pitched ball. Davis sends a two-bagger to center, scoring V. Fleck and G. Fleck scoring. Babb flies out to left field. 3 runs, 3 hits.

2nd inning—Salerno flies out to right field. W. Mossman strikes out. Lehman gets a safe hit between 1st and right field. P. Mossman strikes out. No runs, 1 hit.

Dickie hits a safe one to center. Gibson sacrifices; Dickie is thrown out at second. Burns takes one. Gibson goes to second. Burns hits to first and is put out, unassisted. Powell hits to short and is thrown out at first. No runs, 1 hit.

3rd inning—H. Voekel hits to short who makes a poor throw to Burns; Voekel safe. Quail fouls out to first. Thomas strikes out. H. Mossman hits to pitcher, and is thrown out at first. No runs, no hits.

IN LAST MEETING

The last regular meeting of the season for the Juniors was held at the Log Cabin home of Miss Peg Eckbert, corner Narberth and Haverford Avenues, on Thursday evening last.

The meeting was called for the inauguration of the newly elected officers for the coming year. Miss Florence Hauf, retiring President, made a graceful speech of welcome to the incoming President, Miss Margaret Eyre, and expressed her appreciation of the support and co-operation extended to her by the club members.

A report of the activities handled by the various committees was submitted by each chairman, to be placed on record in the club's archives.

The several committees handling the various phases of the card party to be given on Mueller's lawn, corner Forest and Windsor Avenues, at 2.30 P. M., Saturday June 7th, made comprehensive reports on the progress of the work. These reports show that the Juniors are, as usual, fully prepared to "put over" another success.

The Refreshment Committee arose to the occasion with an interesting contribution to the evening's enjoyment and the Club then adjourned its business meetings until the fall.

APPRECIATION

The Harold D. Speakman Post, 356, American Legion, Narberth, Pa., wishes to take this opportunity to thank Our Town for the publicity given to the Memorial Day Observance Plan.

School Notes

On Tuesday, May 28, the boys in Mr. Gregg's gym class varied their program and staged a hare and hound hunt. Robert Foote, Robert Ross, George Maguire, Wallace Litchfield and Irving Dohard were the hares, while the remainder of the class composed the pack of hounds. The course covered about four miles, part of it being in woods and fields and a little on roads. The affair was a success in the minds of all the boys and they are planning to stage another on June 10.

On Monday afternoon, June 2, the pupils of the Ninth Grade received blanks on which there were the courses, subjects, etc., that the Sophomore Class at Lower Merion is permitted to take. There were three courses, College Preparatory, General, and the Commercial. These blanks were taken home and filled out by parents and returned to Lower Merion, in order that the authorities might prepare for the future Sophomores.

On Tuesday, June 3, Paul Baughman was the host of nine boys at Asher's swimming pool, at Twenty-second and Walnut streets. The following boys were included in the party: John Conway, Robert Foote, Jack Foster, George Maguire, Wallace Litchfield, Irving Dohard, Harry Messier, and Charles Liggett.

The baseball coach, Mr. Gregg, was absent on June 5 because he was taking examinations at the University of Pennsylvania.

Editors: Edwin Speakman, Wallace Litchfield, Charles Young, Donald Taylor.

IT IS TODAY

If you could have been at the Log Cabin Thursday night, my dear, and could have seen the prizes those Juniors collected for their card party Saturday afternoon, June 7th, on Mueller's lawn, you would have been almost overwhelmed.

No engaged girl with a yawning hope chest to fill, no young married woman with a home that needs and needs and needs, nor yet the bachelor maid, can afford to lose the chance of winning one of these beautiful, unusual and useful prizes.

The small amount of 75 cents entitles one to an afternoon of pleasant diversion, one chance in four on a prize, and delicious refreshments.

In the event of rain the party will be held in the Community Club Room of the Y. M. C. A. building—same date—same time.

CHINESE WOMAN TO SPEAK

Narberth is signally honored in having a visit from Dr. Ida Kahn, a noted physician and surgeon of Nanchang, China, who will speak in the M. E. Church on Sunday morning, June 8th, at 11 o'clock.

Dr. Kahn was educated in America and returned to her own people where she has charge of a hospital, beside doing evangelistic work. She was elected a delegate to the General Conference which was in session during the month of May at Springfield, Mass., and now is about to return to China. She is a little woman with a big message, and everyone who is interested in world wide affairs will grasp this opportunity of hearing her. Let old and young come out to pay her homage.

Narberth women at League Conference

Women Voters Meet At Home of Miss Ely

Mrs. C. P. Fowler, Mrs. M. F. Alexander and Mrs. E. H. Cockrill were the representatives of the Narberth League of Women Voters at the Conference held by the second region of the National League last week. The conference, held at the home of Miss Gertie Ely, of Bryn Mawr, was attended by one hundred and twenty women.

Miss Ely is Director of the second region which includes the Middle Atlantic States, and each one of those States had a large representation at the conference. Among the National League officers present were second and third vice presidents, Mrs. Minnie Fisher Cunningham, of Texas, and Miss Ruth Morgan, of New York, and the treasurer, Miss Katherine Ludington, of Connecticut.

It was an all-day meeting and lunch was served by the hostess. During the interval between business sessions the many groups of admiring women that strolled over the picturesque grounds gave evidence of the visitors' enjoyment and appreciation of this beautiful old homestead and its artistic surroundings.

Miss Ely opened the meeting with a discussion of membership. The subject of interesting young people was ably presented by Mrs. Livingston Farland, wife of the president of Cornell University. Her plea was to reach the children in the schools, and enlightening information was given in reference to what is being done in civics and citizenship in the public schools of the various States represented. An instance was cited where the pupils are given the Congressional Record, and often school debates are held on the same subjects debated at Washington the same day. Mrs. H. L. Schwartz, of Wynnewood, advised that private schools be not overlooked, and she paid a tribute to the excellent work of this character carried on in the Ogontz school.

Mrs. Warner, president of the Delaware League, told of the success in her State of the "Know Your Own Town" groups.

The urgent necessity for more money was explained by Miss Ludington, who gave to the women the slogan "every member a money raiser."

"Getting out the Vote" was the subject presented by Mrs. Cunningham at the beginning of the afternoon session. This getting out the vote next November is the principal work that the League has undertaken this year. At the last Presidential election, in 1920, only 49% of the eligible voters cast ballots. It is the aim of the League

She was the composer of the class song, of the sophomore original song for the competitive sing of two years ago, and of last year, and wrote the music for the original junior song given by her class, "A Good Girl," in which she also took part. During the present year she has served as a member of the legislative body of the Mount Holyoke College Community. Her preparation for college was received at the Juniata College Preparatory School and at the Narberth High School.

BOY SCOUT NOTES

At the Scout meeting on Monday a number of boys took various tests, and about 75% passed successfully. Asst. Scoutmaster Fretz advised the remaining 25% to get busy on Scout work, warning them that they must get out of the tenderfoot class.

A fife and drum corps is in process of formation.

It is expected that about thirty members of the Narberth Troop will go to Camp Delmont—the date for this will be announced shortly.

Davis was there with the willow with a triple and a double. Gibson got hold of one for a triple, and C. Humphries, who batted for G. Babb, came near hitting the apple over the fence in right center.

Mr. Howard Davis offered \$1.00 to any player getting a triple. He was \$2.00 poorer when Burns, Gibson and his son Gene collected.

Quail played a good game for Bala-Cynwyd. H. Voekel also played a good fielding game, having 5 assists to his credit.

POST OFFICE WINS

Last Monday evening the Narberth Post Office team played Pennhurst Stock Farm in a run away game in favor of the Post office. The farmers put their best pill tosser in the box, while the Post office relied on J. Wallace Goodwin. He pitched a wonderful game of ball, holding them to a score of 12 to 4, with 6 strikeouts to his credit. Youkers had 3. The umpires were Bill Heard and Pop Litchfield. Heard was umpire in back of pitcher and Litchfield was base umpire.

This game evens up the series, as Pennhurst won last week. Another game in the series will be played Monday at Fairview.

The Post-office team is well organized, with all employees in the organization involved. John Goodwin, Mail Messenger, stars as sporting writer to Our Town.

HOME~

How much will you pay for safety, for permanence, for comfort?

Portland Cement, the material making this possible, is the cheapest of all products undergoing a complete process of manufacture.

A permanent, fire-safe home can be built for from 2% to 5% more than one of impermanent materials. The protection of your investment, the safety of your loved ones, can be assured for a ridiculously small outlay. And such a home is warmer in winter, cooler in summer, and more sanitary the year 'round.

Ask your building material dealer for facts and figures on such construction. Your contractor will also tell you that it is more rapid, as well as safer, than temporary building.

Durant Flint Star

Mr. Dunne, President of the Narberth Coal and Building Material Company, said to me yesterday, "Mr. Downes, what is the seven bearing crankshaft and why is it such a feature?"

I gave him the following reasons briefly:—

1. Reduces vibration to a minimum.
2. Permits a lighter crankshaft. So greater power, quicker pick-up.
3. Lighter construction and great economy.

Then I explained each one in detail.

that this percentage shall be increased to 75% in the election next November. Many and varied were the ideas and suggestions presented and discussed. One member was of opinion that this work would be unnecessary if the committee women did their work efficiently, and she suggested that the League go after the committee women to get out the vote.

Miss Ely, who is Montgomery County's chairman, as well as second regional director, spoke of the prize that her county is offering to the voting district in Montgomery County which shall increase its vote the largest percentage over the percentage of the last Presidential election vote. The district that wins this prize shall have the privilege of sending a delegate, with all expenses paid, to the Pennsylvania State League Convention to be held in November.

International Relations was the last subject on the program. Miss Morgan, who is chairman of the Women's World Court Committee in Washington, as well as head of the National League's Department of International Cooperation to Prevent War, in speaking of the latest developments in Washington, remarked that Senator Pepper had done the best he could do when he presented his World Court proposal. He wanted some Resolution and that was the only thing he could get. She referred to the three groups of Republicans: (1) Those who believe in going into the present Court with the Harding Hughes reservations—the conservative wing of the party which is represented by President Coolidge; (2) those represented by Senator Lodge, which prevents them from doing anything co-operative, who fail to see any writing on the wall, who are struggling with the Republican administration; (3) Those who are isolationists has a matter of conscience, who believe Europe is a wicked place, the United States is a very good place, and it is a serious responsibility to promote connection between the good and the bad.

Miss Morgan quoted experts who agreed that the present court has high standing abroad, that all the judges are looked up to as they represent the flower of legal profession, and that the many nations belonging to the Court would not be tempted to modify it for America unless very good reasons should be submitted. She stated that the great hope now is that non-partisan action to get us into that Court with the Harding-Hughes reservations will be written into the platforms of both political parties, and she added that there will be a fight in the Republican Convention for such plank. She concluded her talk by recommending those present to advise their delegates as to the kind of platform and Resolutions Committee. Professor Fenwick, of Bryn Mawr College, added a few statements in reference to the Court and the League of Nations.

The meeting was enthusiastic and inspirational, and Miss Ely is to be congratulated upon her success in assembling in large numbers the able and brilliant women for discussion of matters pertaining to the truest and best kind of patriotism. It is fine to have a part in this splendid movement which has as its sole object the furthering of good government.

NEW BOOKS DURING MAY

Benefits of the Children's Department

The Library spent all of its available income down to the last penny during the month of May in buying not only the usual number of books for the adult department, but also in making an unusual number of purchases for the children's department. Over fifty new books were added to the shelves at that time, books for children of all ages, both boys and girls.

It is always a source of gratification to the patrons of the Library, which means those who borrow its books, that the money which they are contributing in so doing does more than provide new books for themselves; it, in addition, supplies the fund from which new books are bought for the children. Those who have spent even ten minutes in watching the eager girls and boys as they return their books and scan the shelves for others to read realize what pleasure they are giving the children, what opportunity for immediate benefit, and what endless advantage in training them to use a library, to learn how to find on its shelves the books they wish to read, how to consult the books which carry information they are seeking.

Because of the expenditure of April, the purchases for May were fewer than usual. Fortunately the slack season is on with publishers and there were not many books marketed. Below is the list of those purchased:

Non-Fiction

Footlights and Spotlights, Otis Skinner

By reason of these changes, one-third of the teaching force will be new to the district, a condition undesirable, but also unavoidable. Some of our teachers are leaving to be married, others for personal reasons. No teacher is leaving because of better salary prospects. It is the Board's intention to secure the best teachers available and to pay them salaries that will hold them. A comparison of salary schedules of other districts with those of Narberth will show that the Board does not intend to be outbid by any of its

neighbors. The following salary schedules are the latest obtainable from the districts named:

THE UNIVERSAL CAR

Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.
